RECOGNIZING THE FAIRFAX COUNTY HISTORY COMMISSION

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 9, 2022

Mr. CONNOLLY. Madam Speaker, I rise to recognize the Fairfax County History Commission on the occasion of the 17th Annual Fairfax County History Conference.

Since 1969, the Fairfax County History Commission has worked to identify, document, record and preserve the history of our region. Few areas in the country are as rich in history as ours. Indeed, the history of this region is the history of our country. The History Conference provides an opportunity to reflect on the accomplishments of the past year and to recognize our neighbors who have made significant contributions to preserving and promoting our local history. Through the dedicated efforts of the History Commission and its many volunteers, we are assured that our history will not be lost and will be available for future generations.

This year, two of these dedicated individuals are being honored for their commitment to the preservation and education of history. I am proud to include in the RECORD their names:

Ms. Maura Keaney for her tireless efforts to inspire the next generation of historians. As a School-based Technology Specialist at Laurel Ridge Elementary School in Fairfax County, Ms. Keaney utilizes online research methods and crosses disciplinary boundaries to explore quantitative analysis of how to publicly document and celebrate history. Ms. Keaney has taught her students to think critically and quantitatively, examining the people and events being commemorated and who and what might have been left out of the narrative for too long. Ms. Keaney's dedication to the promotion and preservation of history is only surpassed by her dedication to her students.

Mr. Jeff Clark for his decades of work capturing and exhibiting Fairfax County's history. Mr. Clark has worked for the Fairfax County Public School system (FCPS) as the Video Producer and Director of Communication and Community Relations for the past 21 years. In his role, Mr. Clark has been able to produce multimedia content that tells the storied history of our county. He is considered to be the "official historian" of the FCPS and never hesitates to go the extra mile when it comes to preserving and showcasing Fairfax County's history and its impact on the country.

I commend the Fairfax County History Commission for helping to ensure that the abundance of history that is available to our community will be preserved far into the future.

Madam Speaker, I ask that my colleagues join me in congratulating all the honorees and thanking the Fairfax County History Commission for the important work they do for the Northern Virginia community.

IN MEMORY OF MOTOR MACHINIST MATE 2ND CLASS ROGER H. SPOONER

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 9, 2022

Mr. BISHOP of Georgia. Madam Speaker, it is with a heavy heart and solemn remembrance that I rise today, to pay tribute to an extraordinary sailor, World War II veteran, and dedicated civil servant, Mr. Roger H. Spooner, who transitioned from labor to reward on Thursday, February 24, 2022, at the age of 99. His funeral service was held on Sunday, February 27, 2022, at 3:00 p.m. under the "Spooner Oak" on Bartow Gibson Highway in Seminole County, Georgia.

Roger Hern Spooner was born November 18, 1922, as one of eight children to the union of Lewis and Delia Spooner. In his pursuit of a life outside of farming, Roger answered the call to serve his nation when he enlisted in the U.S. Navy in October of 1941 at the age of 18. After completing boot camp, he was sent to the aircraft carrier, USS Yorktown, with a destination of Pearl Harbor, which had just been bombed. After arriving at Pearl Harbor and witnessing the remnants of damage and lingering smoke from the invasion, the crew of 2,500 sailors headed to the coast of Australia. In May of 1942, during the Battle of the Coral Sea, Roger saw action when the USS Yorktown endured damage, and the crew suffered 61 casualties. Following the gruesome battle, the carrier and crew returned to the Navy yard at Pearl Harbor for repairs. Once repairs were made, the crew made their way to Midway Island to join other ships in preparation for the Battle of Midway, which took place in June of 1942. Many historians consider it to be the most important battle in the Pacific during World War II as it was a clash between the U.S. Navy and the Imperial Japanese Navy six months after the attack on Pearl Harbor.

During the Battle of Midway, the USS Yorktown incurred a massive hit beyond repair,

and the crew was told to abandon ship. One-by-one every crew member went down a line into the water with their life preservers into water that was so oily that once they were covered, you could only see the whites of their eyes. After being stranded afloat for a day, Roger and his crewmates were rescued.

Roger served another four years in the Navy, where he attended submarine school and completed nine war patrols out of Perth, Australia. He was later discharged from the Navy as a Motor Machinist Mate Second Class, after being involved in a motorcycle accident. Following his military service, he continued to serve his community and make an impact in the lives of others by serving his fellow Veterans as a member of the American Legion Post 157, Donalsonville.

In addition to serving, farming, and raising his family, Roger also ventured into the trucking industry. He worked for a company for almost 18 months before he decided to go into trucking for himself in 1948. From there, he started his company, Spooner Farms Trucking, LLC. His first truck was a 1940s model "gas burner" GMC, but over the years, he acquired several Kenworths and Peterbilts. Roger's sons, David and Dennis; and his grandson Jake, joined his trucking business, which had as many as seven trucks running and always transported produce within a 125-mile radius of the shop.

Roger's love for his wife, his service, and his passion remained active until his passing. As such, he made sure to renew his licenses and maintain the upkeep for his 1999 Peterbilt 379 affectionately named "Miss Eloise", which he used to haul agricultural products, including bagged and liquid commodities. The truck's number (CV5) represented the USS Yorktown's identification number with a 12.7 Detroit engine and a 10-speed.

Mr. Roger H. Spooner lived his life by the Golden Rule which states "Do unto others as you would have them do unto you." A man of great morals, he demonstrated this principle throughout his career and life, outstanding achievement, service, and public distinction. Our community, our state, and our Nation are better because of him.

Roger accomplished much in his life, but none of it would have been possible without the Grace of God and the love and support of his family including his late wife, Eloise; and his sons; David and Dennis, and his grandchildren.

Madam Speaker, I ask my colleagues in the House of Representatives to join my wife, Vivian, and me, along with the more than 730,000 people of Georgia's Second Congressional District, in honoring the life and legacy of Mr. Roger H. Spooner for his remarkable service to his community, his nation and to humankind. Moreover, we extend our deepest sympathies to his family, friends, loved ones, and all who grieve during this difficult time of bereavement. We pray that they will be consoled and comforted by an abiding faith and the Holy Spirit in the weeks, months, and years ahead.
